

Remarks

In response to the Notice of Missing Parts mailed August 27, 2004, Applicants have amended the specification of the instant application to include a section wherein the Sequence Listing, submitted on a compact disc, is identified. The amendment includes the name of the file containing said Sequence Listing, as well as the file size and file creation date. Furthermore, the amendment identifies the disc containing the computer readable format (CRF) and the two (2) duplicate copies of the CRF. Since the discs containing the Sequence Listing were submitted at the time of filing, no new matter is added in the amendment.

Respectfully submitted,

Date: 10/22/2004
